I hereby confirm that our organisation is the OEM for Acer products and that I am duly authorised to issue such letter/certificate.

As the OEM, we take responsibility to empower and support **Vukani Technologies (Pty) Ltd**, and certify them to supply the product categories as indicated below to the South African Government:

Where skills or qualifications are lacking, we commit to supporting the supplier to develop in those areas.

We commit that we will continuously train and up-skill the supplier to represent our brand in a capable manner. In the event that the suppliers qualifications lapse, we will inform SITA immediately. Also, if the supplier's skills base improves in any of these areas, we will notify SITA of their increased capabilities.

Should you have any queries please do not hesitate to contact me.

Yours Sincerely,
